WHAT IS HOPEFALL GATHERING?

Compass of Carolina's largest fundraising event of the year, offering sponsors the chance to actively support the mission of providing compassionate services to individuals & families in need through counseling, education, and fiduciary management. Held at The Embassy Suites (Verdae Blvd), attendees will have the chance to mingle and dine with like-minded philanthropists and community members while learning more about the growth and opportunities Compass is embarking upon in the coming year while hearing from some key speakers centered around the life changing work Compass has done in their 105 year history.

Hopefall is specifically held annually in the month of October, Domestic Violence Awareness Month, and will aim to educate the attendees on the positive effects and life change that occurs when participants receive psychotherapeutic support through Compass. The goal is to encourage more involvement and bring awareness to the services available through Compass which is critical to building a strengthened community with resilient individuals and stable families.

COMMITMENT TO OUR SPONSORS:

We are committed to driving our mission forward, giving compassionate direction, helping to break unhealthy cycles of abuse, rebuilding needed trust in partner and family relationships, giving a second chance to struggling individuals, and enabling stability all to change lives right here in the Upstate of SC.

But Compass cannot do this critical work alone. We depend on the support of community members, philanthropic individuals, and generous corporate partners to ensure all individuals and families involved in major life challenges have a place to turn for help. All funds raised during the 2024 Hopefall event will support critical program operational needs. We vow to be good stewards of your investment and we will actively promote and engage with all our sponsors.

More information on Sponsorship Opportunities can be found on the back of this brochure. Compass welcomes a face-to-face meeting, inviting you to learn more about our programming.

GATHERING

We Are Compass

we change lives

we enable stability

we help rebuild needed trust

we help break unhealthy cycles

we give compassionate direction

Established in 1919, this year we are celebrating 105 years of helping others find the right path in life by seeking positive solutions to improve their lives and relationships, providing clarity, intervention, and education through a variety of critical, core services.

What started as a refuge for homeless young women expanded to serve all youth and soon became the Juvenile Protective Association, serving 26 children; a service that was instrumental in establishing the Children's Court of Greenville County.

Known as the Family Resource Center of Greenville, Compass's history in the 1960's contained a diverse program array that included adoptions, domestic violence counseling and shelter, and credit counseling.

In 1996, the adoption of the name Compass of Carolina was finalized and our focus area was defined in community counseling and intervention services.

We Are Compass and our critical, core services offered include:

- Counseling
- Domestic Violence Intervention
- Representative Payee Services
